3. The office begs to submit that the current

year's Budget contains an addition to the salaries of the existing 2 heads a provision of Rs 50+15 p. m

from which the salary of the proposed third Inspector can be met; but that it is not clear what urgency there is for this appointment now when Plague is not so severe as in the past 2

Sir,

I have the honor to state that at present there is only one Sanitary Inspector on Rs 60+20 and another on Rs 45+15 per mensem employed in the municipality. Owing to the continued occurrence of - plague the necessity of - employing a third Inspector has become accentuated. There is a provision of - Rs 50+15 per mensem in the sanctioned budget for the current year, but for the

present I intend employing a man
named D. S. Gnanakum who pos-
sesses the necessary qualifications
for the post, as a temporary mea-
sure and giving him Rs 30 + 10
cycle allowance per mensem, sub-
ject to confirmation hereafter
if on further experience, the neces-
~~sity~~ of continuing his services
is felt. I therefore solicit sanction
to the appointment. I have owing
to the urgent necessity of the case ap-
pointed him in anticipation of
sanction of Government from
today.
